Daily Topics:

PROMO MONDAY – What are you working on? What are you promoting? Keep your posts to 2-3 sentences and add link to your offer, affiliate info or contact information.

BUSINESS TIPS TUESDAY - This is the time to talk business… not to promote your business… Each week we will have a theme and I will ask you to contribute to the conversation and share your tips and advice around that theme. If this is your area of expertise – this is your time to shine and showcase your knowledge (no links please).

VIRTUAL NETWORKING WEDNESDAY – Participate in the networking thread, share about yourself and get to know other people better.

QUESTION THURSDAY - Ask and answer questions... No promos, no links, just great thought-provoking or marketing-research questions. Make a new post or share one from your page.

FRIDAY FAVORITES - Share great resources from others that you found this week . . . a great article, an inspiring blog post, a beautiful infographics, an eye-opening book... Please stay away from posting your own links or affiliate products!

CELEBRATION SATURDAY – Tell us what you are celebrating, what makes you happy and what you are grateful for.

HAPPY SUNDAY - and it's time to share your memes, funny pictures, inspirational quotes, engaging videos or just thoughts about life... If something makes you laugh or connects with you - share it! Feel free to start a new post or share one from your page, but stay away from promos and selling.
