Once you finish the video...

1. Create original visual value-added (NOT PROMOTIONAL) visual post around your chosen expertise.

2. Post it on your Fan Page. If you do not have a fan page - you can post it on your personal profile (just make sure to make your post public).

3. Click on your image to expand the post and copy the long URL.

4. Go to our Facebook group "Business Owners Who Think BIG"

5. Find Day 2 thread (it's pinned on the top of the page)

6. Paste the URL in the comments of DAY 2 thread.

7. Click on other people's posts and Like, Comment and Share them as you see fit.

IMPORTANT: DO NOT POST YOUR IMAGES ON THE MAIN TIMELINE IN OUR GROUP. POST THEM AS A COMMENT IN THE DAY 2 THREAD.

If you have any questions or challenges posting your assignment - please ask your questions in the Questions thread.
