

"I've gone from serving handfuls of people to hundreds of people and made \$110,000 last year. The whole process of automating my evergreen program would not have been possible without the support I got from the Rising Stars Mastermind."

-Michelle Kopper, Visibility Expert

"I've never been in a group like this where I really feel connected with every person and feel that I am valued. And... I've been through business school, I've run businesses, and I've never met anyone as smart about business as you, Alina."

-Dhiresha Marshall, Business Coach

Turn Your Expertise
into a \$100,000+
Online Business

Why Join the Rising Stars Mastermind?

- 01** Over 95% of Rising Stars mastermind students get their online program launched and filled with paid participants within the first 3 months.
- 02** Alina is a master at helping experts create \$100,000++ businesses online through **customized, personalized business building strategies and coaching** based on your strengths and goals.
- 03** Produce outstanding results for your clients by creating your programs using **uber-effective curriculum design and micro-learning techniques**.
- 04** Stay engaged and on track with **dedicated energy, mindset and accountability coaches**.
- 05** Get **everything you need in one place** to fast-track your success: business strategy, technology, marketing, copywriting and inner-game support.
- 06** Join a **community of action-takers who'll support and celebrate you** every step of the way.

To create a truly leveraged business, you need to move beyond 1-on-1 work and done-for-you services to a process that creates results without you.

Follow Alina's rock solid model to package your expertise into a fully scalable online program that will become the foundation for your \$100,000+ business.

Alina grew her own business to half a million in just 3 years; she'll strategically guide you to create, automate and leverage your program in a way that works for you so you can create a multi-six-figure business with ease.
