What Past Participants Said...

I Learned More in Alina's 5-Day Challenge Than I Did in a Year of a Mastermind

"I always make sure to do Alina's challenges because they are packed with the kind of value you'd expect from a paid course. I have learned more in some of her 5-day challenges than I did in a year of a mastermind—not exaggerating!"

The best part is that in just 5 days, you always take lots of actionable steps, create real deliverables and CHANGE things."

— Ruby's Landis

I Literally Got More Done in 5 Days Than I Have in 3 Years!

"I have participated in 3 challenges with Alina Vincent, and as far as I'm concerned they are second to none. She provides tremendously valuable content in bite-size easily manageable chunks."

"I literally got more done in 5 days than I have in 3 years! Not only does Alina provide incredible content – a real wealth of valuable tips, tools, strategies, systems, and inspiration – but she is hands-on and participates fully and compassionately in our daily challenges, providing insights and recommendations on the spot."

"If you ever have a chance to participate in one of her challenges, don't waste a minute thinking about it! Just do it! You will be very happy you did!"

— Dr. Marilyn Joyce

I Always Learn So Much I Can Use Immediately To Grow My Business

"I love, love Alina's challenges. She is a master teacher: making things super simple to follow, with short videos with action steps to take so you are putting the learning into action right away – it's super practical."

She is engaging and clear, and makes it fun. I will continue to do her challenges because I always learn so much I can use immediately to grow my business."

— Christina Sobczak

I've Gotten More Results From Alina's Challenges Than From Some of the Programs I've Paid For

"Alina's challenges are filled with tangible, profitable tips that can be easily applied on the spot."

"I have participated in 2 of her challenges so far and each time I have gotten more results than from some of the programs I have paid for."

— Kimberly Kasparian
