# “Turn Your Program Into a Virtual Workshop”

## Workshop Follow-Up Emails

**EMAIL 1:**

**Subject:** [FB Marketing Plan] Follow up, updates and access to the replay...

NAME,

I had so much fun during our **Facebook Marketing Plan** workshop!

I can't believe how much we've brainstormed and created!

I wanted to follow up with you and share what's going to happen next...

1) The recordings have been posted! Earlier today you should have received another email with your membership site login details that you can use to access the recordings and worksheets. If you haven't - let us know right away.

2) I asked at the end of the workshop if there was any interest in getting some additional 1-1 implementation support for your Facebook Marketing Plan from one of my personally trained coaches, and quite a few of you expressed interest :)

**Take a look at the details of the 1-1 coaching package here**

*(get it for 50% off when you sign up before December 20th)*

3) Several of you also expressed interest in the "Supercharge Your Facebook Group" training that walks you step-by-step through the creation of the daily themes that increase the engagement for your Facebook group.

**You can access it here for just $57** (Use promo code CYBER19)

4) I'll be adding additional free resources to the "Facebook Marketing Plan" folder over the next few days based on some of the conversations that happen during the live workshop.

To Your Facebook Success,

Alina
