PROGRAM SUMMARY

RISING STARS MASTERMIND

Program Summary

Turn Your Expertise into a $100,000+ Online Business

You have so much to share…

Your knowledge and know-how, wit and wisdom, experience, and expertise. Deep down, you recognize that ***what you know*** has immense value, and nobody has your special blend of know-how, gifts, life experience, perspective, heart and style. Nobody can teach it like you.

You also know that you deserve to be compensated well when you share your hard-earned knowledge with others. Experts like you are **turning their expertise into $100,000+ online businesses and having far-reaching impact**!

Now it's your turn, and your next step is critical.

Making the commitment to a year-long mastermind is a significant step. I get it…

I vividly remember how I felt when I was in your shoes… every single time I made the decision to step up, take a huge leap of faith and choose to say YES to ME… I was scared and excited, nervous and hopeful. And every time I **listened to my intuition**, every time I **trusted in myself**, **invested in myself** and **acted decisively** – it's paid off in a BIG way.

Rising Stars is the exact mastermind program I wish I'd had when I was starting to grow my business.

Through the ***perfect blend of inner work, energy work, strategy, direction and hand-holding through implementation stages***, we'll help you create a thriving business built on your knowledge and expertise. All you need to do is make the commitment to yourself and your vision.

And… this Mastermind goes **WAY BEYOND** getting your program online. Together we'll create the entire foundation for your profitable and scalable $100,000+ business. What is your BIG VISION? Want to host your own events? Write a book? Become a keynote speaker? Host your own events? Automate your entire business so you can travel?

RISING STARS MASTERMIND

We'll guide you in strategically designing the next leveraged phase of your business EXACTLY the way you'd like… and growing it rapidly with my time-tested insider business knowledge, expert coaching and the support of our community.

You'll be joining an empowering group of action takers committed to your success as much as theirs. We'll celebrate with you and we'll have your back when you get stuck, feel lost, or face tough choices. If you stop showing up, WE'LL NOTICE. And we'll help.

Are you ready to turn your expertise into a leveraged and profitable business?

Are you ready to step into the new vision of your future as a recognized and sought-after expert?

Join us in the Rising Stars Mastermind…

Alina

Why Join the Rising Stars Mastermind?

✓ *Get Your Program Online in 3 Months or Less. Really.*

Get your online program launched and filled with paid participants within the first 3 months. In order to create a truly leveraged business, you need to move beyond individual training and group programs to a process that creates results without you. Using Alina's proven model, you'll be able to identify your hot program topic, organize your ideas in an understandable way, and package your expertise so that you have a fully leveraged online program that will rapidly grow your business.

"Knowledge will not attract money, unless it is organized, and intelligently directed, through practical plans of action, to the definite end of accumulation of money." Napoleon Hill

✓ *Receive Highly Customized Guidance for Your 6-Figure Business*

Alina is a master at helping experts create $100,000+ businesses online because she has the big picture and can quickly see what each student needs to reach their goals. Once your online program is created, you'll get customized, personalized business building strategies and coaching based on your strengths and goals so that you can monetize it quickly. Constant contact and feedback clarifies the tiny adjustments and nuances you need along the way to build a business that's uniquely YOURS and brings in the MONEY.

✓ *Make a Big Difference with 5-Star Curriculum Design*

Your own learning will be massively accelerated thanks to Alina's uber-effective curriculum design that utilizes micro-learning with its highly learnable format. At the same time, Alina will teach you how to design content that's **truly effective in sharing your message and in getting results for your clients**… leading to people wanting to buy even more trainings and programs from you!

✓ *Stay in Action with Inner-Game Support*

Rising Stars Mastermind provides **dedicated mindset, energy and accountability coaching support** so you can stay engaged, on track and inspired from beginning to end. Your coaches keep you from getting stuck or sidetracked. As a result, you'll take more of the right actions, more often. You'll be amazed at the personal growth and transformation you'll experience, along with the incredible results you'll create!

✓ *Get Everything You Need… In One Place*

Business and marketing strategy, technology support, copywriting advice, mindset and alignment coaching… all the expert support you need to get your program online and producing massive income is right here. Because the fastest way to grow is to synchronize your efforts, we've built a team of in-house professionals with specific expertise to ensure every question gets answered and every need gets addressed.

✓ *Be Part of a Community*

Because your fellow participants understand what you're building, they'll hold the space for the BIG vision of your future multi-6-figure, empire-building self. You'll never be left alone to figure things out on your own. You'll learn with and from one another and celebrate each other's success.

✓ *Create Automated Passive Income*

After you fill your pilot program the first time, using Alina's proven strategies and shortcuts to generate revenue quickly, you'll focus on **scaling and automating your marketing, enrollment and delivery**. Your program can NOW not only run and produce results without you, it can also be filled and SOLD without you. Alina grew her own expertise-based online business to over a million dollars in 4 years. She'll guide you to **create, automate and scale your High Profit Program** to create a multi-six-figure business with ease.
